Subject: FW: Coordinating on Thailand with EPA

Hi Brenda – here's the lead contact for USDA on the proposed Thailand glyphosate travel. Please check in with your State Department contacts on their views and prep for the potential trip. Btw, looks like the dates are very much up in the air.

Please send any updates to both Jane and me. Thanks, Martin

Great talking with you, Anastasia –

As we discussed, we'll plan to run parallel visa and country clearance processes for Alex Dunn's travel, and make sure we're cross-referenced with State HQ and Post on clearances. I'll circle back with our pesticides office to relay our conversation.

At State HQ, I understand that your Thailand lead is working with Jonathan To. I'll make sure to coordinate our clearance process with Jonathan.

Thanks! Martin

Subject: **Schedule for Thailand trip**

Good afternoon,

Please find attached a preliminary schedule for the Thailand trip. Could you provide Alex's travel availability for the weeks of December 2, 9, 16, and for the weeks of January 6 and 13? We will work to find a match with our Under Secretary McKinney's schedule, then work with post to determine availability of Thai counterparts. Thank you for your patience as we work out the scheduling.

I hope you all have a pleasant weekend.

Thanks,
Anastasia
